Associate Members and Preferred Providers Awards Application

The PACB INSPIRE Awards are designed to recognize the incredible and varied ways that associate members, suppliers, and other vendors support community banks in their quest to promote the values of the industry to customers and the community, and work with their partners to breathe life into the neighborhoods they serve. Award winners are determined to be those companies that can best demonstrate how their products and services enable the Association and the institutions to best promote the virtues of community banking, attract customers, and INSPIRE others in the community to undertake a leadership role in making their local communities a better place.

List of awards (select one): While the same company may apply for or be nominated for more than one of these awards, each submission must be a separate form.

Preferred Provider of the Year
